

Joseph Longo  
Orland Park, IL 60467

## WORK REQUEST

*PETITIONER:* Jason Malchinski

*DATE:* 02/08/2017

*LOCATION:* Rip-Track

*PROJECT DETAILS:*

Paint red safety zones in large Rip building.

- We will use a chlorinated rubber based paint for strength and durability
- Project can be done by shutting down one track at a time or shutting down the entire building

*ESTIMATE FOR LABOR AND MATERIAL:* \$5200-\$6200

Note: This project can be done without exceeding Union Pacific's allowable financial threshold.

If you have any questions or concerns please contact me at your convenience.

Respectfully,

Joseph Longo
