We would like to thank you for allowing us to bid on your project. We understand you have many options. Allowing us to bid is greatly appreciated.

The following is the bid for Hump Tower Breakroom which includes;

- Remove old office furniture, refrigerator & old water heater that is not in use
- Frame wall into half of utility room with access door to HVAC and furnace
- Install New VCT tile and wall base to new area and preexisting area
- Add plumbing and install sink with storage cabinet
- Install break room table with seating
- Move ice machine and OCU cabinet to a more feasible location
- Patch and paint
- Install new light covers

Total for labor and material \$19,900-21,900

Respectfully,

Joseph Longo
