4/11/2017

We would like to thank you for allowing us to bid on your project. We understand you have many options. Allowing us to bid is greatly appreciated.

The following is the bid for the Raised Patio outside the Cardinal Fitness Unit:

- Demo flat work to inspect and repair base. Remove and save railing
- Repair masonry work on support walls
- Reframe and install stone for base
- Pour new concrete with wire mesh and anchoring Rebar
- Reinstall railings
- Plug or modify Scupper holes and install down spouts

Total for \$ 42,000 (LABOR) 77

NOTE: This bid does not include material costs. All material will be purchased by Longo Corporation and billed to M. Shapiro. There is no markup on material.

NOTE: Due to the patios location we don't have the option to bring in a bob cat so all work will be done manually.

(Estimated material cost \$5000)

If you have any questions or concerns about this bid please contact me at your convenience.

Respectfully,

Joseph Longo
